Subject: CAM Determination Help

David,

I was wondering if you had made any progress into the information that I had sent to you about the CAM determinations. We are at a point where we need to decide if we are going to push this issue to hearing or move on with the company's wishes and would like Region 7's input.

Thank you again for your offer to look into this for us.

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
